Adventure Club (AC) is a Systematic Theology For Kids!

FCBC is excited for the new Midweek Children's Ministry on Wednesdays, called ADVENTURE CLUB. This exciting, fun, energetic, Bible-centered experience is for kids in grades PK\*-5th.

Adventure Club's teaching uses a curriculum based on systematic theology but tailored for children. This year the children will learn "*The Bible and the Trinity*." In the children's AC handbooks, there is a fun story to follow of AC kids (Blaze, Amelia, Scout, Sally, Tracker, and Lucy) on an adventure. Each week on Wednesdays, there are fun activities to complete and Bible verses from the lessons to memorize. The Adventure Club is a fun way for children to learn and memorize the truths about Scripture.

Adventure Club is organized into  
three age appropriate groups: Trackers (grades PK\*-K),  
Scouts (grades 1st-3rd), and Trailblazers (grades 4th-5th.)  
*\*PK must be diaper free, pull-ups free and 3/4 year old*

The club night consists of corporate teaching/music, games, bible memorization, and small group time. All of this is for the ultimate purpose of helping our children grow in Christ and encourage our parents.

We hope that your child(ren) will be able to join us in learning more about our Creator!
